

## CR Centennial Celebration Specialty License Plate Now Available for \$25

The Caesar Rodney School District will soon begin a year-long celebration of its 100th birthday culminating with a gala event to be held at the Dover Downs Hotel on Saturday, May 14, 2016 (more information to follow).

To help raise funds for the gala, the district has created a Caesar Rodney Centennial Celebration Specialty License Plate that can be displayed on your vehicle. A one-time registration fee of \$25 will pay for both the \$10 specialty license plate fee to DMV and the remaining \$15 will be applied to the centennial celebration gala.

The license plate can be displayed on the rear of your car (your existing plate must be removed and kept with the vehicle). You can also place the CR plate on the front of your car, if you wish. You will still maintain your current car registration that is now on file with DMV. The specialty plate can remain on your car indefinitely as long as you own the car; there will be no additional yearly fees for this specialty license plate.

Requests for specific numbers will be handled on a first-come, first-serve basis, following full payment, with the exception of plates #1-3 which will be raffled off during Rider Pride Day. You will be contacted if your requested number is not available. The license plate will be restricted to 9999 numbers, no letters. Since all plates are individually requested, it will take 4-6 weeks to receive your specialty license plate, a new registration card and sticker which will all be mailed to your home address.

Please download the attached form, sign it and submit your payment made out to CRSD and bring to your school's main office, the Caesar Rodney School District Office or mail the form and payment to: Caesar Rodney District Office, 7 Front Street, Wyoming, DE 19934, ATTN: Ron Gough
